

ViewOne Indexer

96-Well Collection Plate Enhancer

Features three light intensities:
Low, Medium & High!

Includes:

- ViewOne Lablite
- 15° Stand
- 25° Stand
- (2) 96-Well Template Transparencies

Compact and portable, the **ViewOne Indexer** provides illumination of your 96-well plates. The transparent template helps you keep track of individual samples, and two interchangeable stands make viewing easy and comfortable.
